

**WATER TAXI II
GOLD COAST 39WP
GUEST SHUTTLE**

DESIGN BRIEF

In the beginning, there was an idea...

In 1992, one year after building the successful GC39WP wave-piercer prototype, *Water Taxi II* became the basis for the designs of the next twelve world-famous GCY wave-piercers. She and several sisters are still operating between the US and British Virgin Islands amazing boaters as they zoom past effortlessly slicing through the chop.
